

2010 Avid4 Adventure Registration Form

Do you want your kids to enjoy Venus de Miles as much as you do?

While you are riding Venus, your kids (ages 4+) can participate in a multi-sport outdoor adventure with [Avid4 Adventure](#) beginning as early as 7 AM and lasting until you cross the finish line.

They'll love rock climbing on a portable 25' wall, kayaking in a 15,000 gallon portable pool, mountain biking, learning Leave No Trace outdoor ethics, and more. Activities are age-specific and led by professional staff (highly certified, background checked, extensively trained and great with kids).

Avid4 Adventure has served thousands of kids with our school programs and summer camps and is Accredited by the American Camp Association and Licensed by the State of Colorado. Equipment and snacks are provided.

For more information, and to submit this application, contact Teresa Robbins, teresa@venusdemiles.com or call 303 460-1745.
